### CLUB INFO:

1. Stitches thank you from the President, Valoria:

Thanks to the Stitches Committee for their work in planning the Booths. The set up was wonderful. Many thanks to everyone who volunteered to work the booths by knitting, sewing up hats and talking with everyone who came into our booth. Thanks to everyone who sent or brought knitted items for display. So much talent was displayed in the booth.

Great job everyone!

2. You should have received the flyer for the October InterKnit Seminar! Please respond if you haven't already as there are limited seats. Diane McQueen writes:

October seminar with Rebekah Younger: If you want a yarn kit for the October seminar, please contact Carol Scott at [truethreads@aol.com](mailto:truethreads@aol.com) by September 1 to order your yarn kit so that you can pick it up at our September meeting. You need to knit a couple of small swatches before the seminar to be able to do the dye project. The complete yarn kit (\$34) will have enough yarn to make the swatches as well as the project. If you only want to participate in the dyeing part on Saturday and not order the complete kit, you can order the \$3.50 yarn kit.

Some people are ordering the kit and plan to knit the project at home instead of bringing a machine on Sunday and will just observe that day. Note: you need to purchase both the yarn kit and vest pattern separately!

Rebekah is offering a 50% discount on the Color Bridges Vest for Interknit members. This is the vest we will be making on Sunday. The coupon code is **INTERKNIT** for downloads directly from her website. Click <https://youngerknits.com/shop/> and apply the coupon at checkout for the Color Bridges Vest Pattern only. The coupon expires on Nov. 1, 2017 for those who may want to order it after attending the workshop.

Registration form and payment for lunches and yarn kits can either be sent to Diane McQueen or brought to the September meeting. Please remember that our room capacity is 40 people and the seminar is open to members only until the September 9, 2017 meeting.
