

“Scraps of Love” / 2020

We all have scraps of yarn and wonder what to do with them. Now you have a reason to knit something and help others at the same time. Just imagine, you might empty several cones that have just a little bit of yarn on them!

We are again asking anyone with spare time and yarn scraps for help to continue our “Scraps of Love” project.

It seems in this day and age we are all touched by cancer in one way or another. This year we are earmarking any donations for the Community Cancer Treatment Center on Stewart Road in Monroe, Michigan. This center assists cancer patients with services and support.

The cancer center has a need for:

- *men or women styled hats or scarves. (winter or summer) The only thing they ask is that these adult hats be a tight knit.*
- *Lap blankets and prayer shawls for men and women would also be appreciated.*
- *The ladies have assured me that any size will be fine.*
- *Items can be knitted or crocheted, etc.*

All items will be donated.

Please bring your knitted item(s) either day of the seminar. Let's see how creative we can be! Thank you in advance for your help with this project.

Monroe Area Knitter's Seminar

Donated items from 2019 seminar were donated to the Monroe Cancer Center and Monroe's New Beginnings Project.

Thank you!
