CLUB NEWS

1. A Message from the President of InterKnit

Knitters-

We are just finishing up 2021 and what a year it was. We've learned more about conducting meetings in Zoom. We had some great demonstrations and a wonderful seminar with Nancy Roberts. Thank you, Ronnie and the program committee, job well done. They have some wonderful demonstrations in store for 2022. You're not going to want to miss one meeting.

For the time being with covid number going up, we will continue to meet by way of Zoom. Why not take time to learn a new technique? I know that there's a pattern that you've put on hold, practice your garter bar. Last year I learned to make a working pocket. For 2022 I plan to master the Passap E6000 once I get it put back together.

My hope for 2022 is that we can get back to in person meetings. I miss seeing everyone and being able to touch what everyone has brought for show and tell.

Happy knitting,
Valoria

2. Ronnie will not be able to do the **Show and Tell** for January. So...**for January only**, please forward your show and tell pictures to Mary Matz at marytmatz@gmail.com or reply to the newsletter with your pictures. Deadline for Show and Tell submissions is **Friday, January 7 at 6 pm CT**.
3. **January, February and March meetings** will be held via Zoom!
4. **MEMBERSHIP:** Our membership book for 2022 will be emailed to all paid members before the January meeting on January 8, 2022. Members who have not yet renewed their membership have been sent a reminder email. The Interknit Machine Knitters group has been together for over 26 years with many of the original members still active as well as many very talented “newer” members. Our members are a wonderful resource for machine knitting information and the membership book is a great source of information if you are looking for information and help. In addition to a list of our members, it will include a list of the machines owned so that members who need help on a specific machine can usually find someone else with that machine. Also included is a list of sources for more information about machine knitting.
5. **Dues for 2022** - If you have not already done so, please mail your \$35.00 check, payable to Interknit Knit Club, by December 31 so that our new membership book that will be distributed in January will be up to date with our current members. Thanks.

6. **The Program Committee** is planning the demonstrations for 2022. If you have a topic that you would like to see or have learned a new technique that you would like to demonstrate, please contact the program committee. The committee includes Ronnie (ronniesol805@gmail.com), Christine (aginghippie@mail.com) and Mary Jordan (jordanod@sbcglobal.net).
7. **Magazines:** The InterKnit group mailing of the machine knitting magazine Machine Knitting Monthly has been discontinued. If anyone wants to subscribe to the magazine, one option is at Dorothy Rosman's website www.customknitsmfg.com.
8. **Knit to Give:** Thanks to all who have provided knitwear for the charity efforts. Attached are the pictures and recap of what was donated in 2021! It was a pretty good turn-out considering we didn't meet in-person.
9. **Library Report:** The Library Collection is now posted on InterKnit's website under the members page in both the PDF and Excel formats. <http://interknitmk.org/MemberPage.html>
