Click the “join this group” button on the right.

Once you are a member you can participate in the discussions, view shared projects, pages, members, etc.

To participate in the Education Series discussions that we hope to get started, click on Discussion. The Education Series threads will be stickys – meaning they are at the top of the list of topics being discussed.

Feel free to start new topics, pose questions, post projects, answer questions or comment on other posts. But please keep all Education Series postings in the stickied thread

You may want to start a “project” in your Ravelry notebook and label it Education Series One. Then as you go, you can upload the swatch pictures to the project to show your progress. You can go in and edit the project to add more as you go. You can put notes about discoveries, challenges, successes in the “notes” section.
