Saturday April 11th we will be meeting at 10 am in Building K Room 161. Freda and Carol will demo joining and blocking techniques. Judy will show how to embellish using a machine.

For those who volunteered, Colleen Kobe will be expecting your "homework" at the club meeting

One of our members sent in the above entry coupon to share.

The Magic Number is 307! That was the total dollars collected via our Silent Auction! **WELL DONE ALL!** The monies collected will offset costs of our May seminar.

If you wish to attend our May 16th & 17th seminar with **Susan Guagliumi** author of "Hand Manipulated Stitches for Machine Knitters" and have not turned in your registration this is a reminder that space for those interested in "hands on workshop" is limited. Visit www.interknitmk.org for the registration form as well as topics to be covered. (link to form and topics are located on the upper right of our home page)
