

InterKnit Machine Knitters Guild Newsletter August 2006

InterKnit has had it's LAST meeting in Room 250 at the College of DuPage McAnich Arts Center!

Due to classrooms getting a "make over" InterKnit officers have investigated options and find COD is still our most central location. Officers and club members that work at COD are working to obtain a new location on the COD campus. You will be notified of the new location. Notices will be posted for the next 4 months on the A250 Door of the new location. * (see footnote below)

* New location potential changes: A brief vote was taken by those in attendance in July. A show of hands for which of the following was more important: 1) hot water available for tea or coffee or 2) closer parking availability. Those present felt parking was more critical and members could BYOB (bring your own beverage) although vending machines maybe nearby. There will be more to come regarding the move prior to our September meeting!

Important Field Trip Information!

ANYONE going whether via car pool or on their own needs to contact Carol Scott scottc@cdnet.cod.edu or 630-469-0699. Carol needs a full count of attendance as requested by Lorna's Laces. Lorna will be expecting visitors by **10 AM when numbers will be given out** for the order of admittance for shopping. Due to limited space at this location she can only allow 20 individuals into the shop at a time. Shopping will be followed by demo of the fabrication process used in making her yarns!

NOTE: D not show up at the last minute. Also, for those who are car pooling: **Due to the construction, safe parking locations at COD will not be known till one week before the trip. PLEASE contact your intentions to Carol so you can be included in an email with the parking location. Car Pool will be leaving COD promptly at 8:30a.m.!** Lorna's Laces is located at 4229 N Honore St. Chicago IL (773) 935-3803 <http://www.lornaslaces.net/>

For those driving on their own Google directions suggest getting the best way you know to get to I-90 E and exiting at the Keeler Ave exit 44A to Irving Park Rd (IL-19). Left on W Irving Park Rd then Left on N Wolcott Ave, Right at W Berteau Ave., and finally Left onto N Honore St. (which looks more like an alley rather than a street in this section).

**** Editor's Note: Somebody better give me a Roving Reporter Report!!!**

Member's Book:

Diane McQueen has a new email – see emailed newsletter.

Gaile R Well is our newest member . Address & contact info in the mailed newsletter.

For Sale: _Member Cecilia Krizek announced her friend *Gertrude Sandberg* would be selling off some of her machines. *Since that announcement Cecilia's friend Gertrude has passed on. InterKnit wishes to extend our condolences' to her friends and family.* Cecilia is helping the family with pricing and selling some of Gertrude's machines. Many are still half or less then half the original price. For info contact Cecilia (see member directory)
