

InterKnit Machine Knitters Guild August 2008 Newsletter

A BIG InterKnit Thank YOU!

Special thanks to: **D. Keen, A. Keen, P. Huang, S. Guzman, D. McQueen, C. O'Connell, M. Slattery, P. Hendrix and V. Simpson** (our Roving Reporter).

InterKnit's visit to the Midwest Fiber & Folk Fest had at least 8 club members who manned the booth all day. They knitted all day, 2 would knit on the 2 machines and the others did the hand work. They made hats and slippers. A grand total of 10 hats plus 2 pairs of slippers were made. All of which will be donated for Christmas.

The younger set enjoyed watching our youngest club member as she made beautiful scrapes with fun fur. Mary had a very large group of folks just watching her knit, asking all types of questions. Mary answered them all as she continued to knit. ***The crowd got so large that they were asked to move our tables back so that people walking could get past.*** Others invited them to join us at Knit Club.

🌀 ***Well done Ladies!!!*** 🌀
