Newsletter for February 2006

Circular Knitting! Is our theme for February.

We hope you'll join us at the College of DuPage McAninch Arts Center, Room 250 in Glen Ellyn. Located within easy access of I355 and the East-West Tollway (I88). At 10:00 AM. The above image was borrowed from www.bivens.ca/socks.htm, some nice items for viewing there.

Oh, what you missed! Show & Tell was a fine one last month!

Opal Yarn socks, a machine knit version of a Potato Chip Scarf, a sweater made from Mexican Wave yarn (which some are hoarding because it's been discontinued)☺. There were also more scarves a two piece pink baby outfit and two adult jackets one gray the other purple. Lastly some pictures of several gift items. Two jackets were done with worsted weight yarn and Fun Fur yarn that looked like knit weave but were done in punch lace. Bravo ladies it was a wonderful showing!

It's Power Shopping Time! Yes, there's never enough SABLE yarn!

Carol Scott has informed us that <http://www.yarnups.com/> (a.k.a. Aurora Yarn Supply) is going to discontinue Yeoman Yarns. This includes: Panama, Baby Alpaca, Janeiro, Poodle and more for 30 to 70% off. You can order on line but Carol has also offered to put a bulk order together to save on shipping.

Field Trip:

The suggestion was made for a field trip to Lorna's Laces (which I think caused some members to salivate!) No date is set and suggestions are still welcome. You can take a "preview" at: <http://www.lornaslaces.net/home1.asp> (you may have to copy and paste to use this link)

Officers! A big Thank You to Linda Franckowiak for taking on the post of Secretary! With her assistance she'll be able to help those of us who've stayed for another term to "stay on the same page".

A funny sign seen at an optometrist's office:

If you don't see what you're looking for, you've come to the right place
