

InterKnit Machine Knitters Club Newsletter for January 2006

Lace! Starts off our new year with a Duo Demo. Rebecca and Cheryl will be sharing the floor showing methods for machine lace on the Brother and Studio machines respectively. Our Duo Demo's have been very popular in the past. Please come and join us Sat. Jan 14th at the College of DuPage McAninch Arts Center, Room 250 in Glen Ellyn. Meeting starts at 10 a.m. (The above image was borrowed from www.stephthornton.co.uk/..list/curtains.htm Bond Machine Knitting - Knitted Curtain Patterns page.)

Calendar of Events At least penciled in, obviously our Lace Duo Demo for Jan. but our Program Committee is working on bringing us demos on Jacquard Knitting, Make your own Blocking Board, Circular Knitting as some of our future regular meetings. Also, possibly a 2 day seminar featuring Cathy and Frank Sanders of <http://www.northtipton.com/>. Again some of this is penciled in while working to co-ordinate scheduling. Suggestions and offers to give a demo (or Duo Demo) are always welcomed!

InterKnit Members Book Is being compiled at this time. This will list members' phone numbers, home and email addresses as well as knitting machine and 'gadget' collections to be used as a reference guide for help. To be included in this book your dues for 2006 **MUST** be paid by the Jan. 14th meeting! Now our fiscal usually starts and ends in September so if you've made your payment near that time you should be fine for 2006. If you're in doubt please contact our treasurer Shirley Guzman.

What you missed! Not just the Christmas Party but some fine Show & Tell! Show and Tell had a lovely mini Christmas stocking garland but some delayed arrival summer projects of shawls, more afghans, not to mention items unwrapped in the gift exchange.
