

# InterKnit Machine Knitters Guild

## January 2010 Newsletter

Make Your Own Sponge Bar! InterKnit's own "Gadget Lady" Mary Slattery will be sharing with us the entire "how to" details. Between shipping costs or just plain scarcity for this essential part this maybe a must see meeting. *We hope you join us January 9<sup>th</sup> at COD Building K Room 161 at 10 am.*

**Words from our Librarian:** Rebecca is looking for volunteers to help make the library more accessible when she can't attend. Please contact her if you'd like to help out. Also while reviewing the circulation sheets many of the videos that have been signed out have not been returned. *We're asking everyone to recheck their reference materials for forgotten or misplaced club items.*

**Charity Knit!** We collected a nice variety of approximately 60 items! Well done all. Items were donated to the woman's shelter.

**Date and Place:** Our meeting room will be changing from time to time within Building K this coming year. We will be in Room 161 for the January meeting. February 13 and March 13 will be in Room 131. This is located towards the west side of the building (and closer to the "Ladies"). There will be a reminder in future newsletters when the time comes.
