July 2007

Connie Blieszner from The Fine Line Studio in St. Charles, IL will be demonstrating **Mosaic Pattern Design** on Saturday, July 14. We'll be meet in Room 1544 of the Student Resource Center from 10 am till 2 pm. If you've not signed up for lunch prior to June 25th you'll need to bring one and please inform Program chair C. O'Connell or Treasurer, D. McQueen you'll be attending. Please bring note taking supplies, graph paper and colored pencils/crayons to lean the process. If you have them the following books: 322 Machine Knitting Stitches and/or Mosaic Knitting by Barbara Walker.

Room 1544 is the same location where we were located for Irish Bishop as well as Frank and Cathie Sanders Seminars.

August 11th FIELD TRIP! Esther's Place in Big Rock IL Soon to be available online as well as attached to this newsletter is the sign up form as well as directions. **There is a \$15 fee that includes tour, hands-on project and lunch.** Our group is booked from 10 am till 1 pm. Car pool will be meeting at the Building K Parking lot at 9 am. Please contact Valoria Simpson if car pooling.

Editors Footnote: I will not be attending the field trip so I'd be most grateful if people that do attend would send me some commentary or even a Roving Reporter Story!

Library! Not wishing to be a distraction to our guest the library is not made available during workshops or seminars. Our Librarian and Vice President R. Stewart informs me she will be available for returns in August. Full library services will be again be available in September
