**A mini-seminar with Connie Blieszner, of “The Fine Line” Geneva, IL., will demonstrate Mosaic Pattern designing.** Connie’s mosaic coat was very popular at our recent Knitting Machine Open House so we’ve enticed her to come and show us how it’s done. **The meeting and demonstration will be July 14th from 10-2 P.M.,** for hands-on designing. The Event will take place at the south end of the Student Resource Center in Room 1544 [See the map at: [http://www.cod.edu/Maps/SRC\\_12.gif](http://www.cod.edu/Maps/SRC_12.gif) ].
