Top 5 - a tiny homework assignment for the benefit of all!

So I expect E Mail!

After observing a few near cases of whiplash at club meetings when someone mentions a yarn store, mostly people going who, what, where and having the speaker patiently repeat their information. I thought it was time to tap our own resources. InterKnit has some local stores listed on the web site but the head turners come from names brought to us by our members. We've gathered many new faces in the past few years so some of our sources for supplies bare repeating!

For those members who sell yarn, supplies or services. *Now* would be a good time to remind us all (in brief) of what you have available.

So your newsletter editor is asking **ALL** members to send in a list of their **Top 5** local store, online or eBay store, places for yarn, gadgets and or repairs.

Name, contact info (address, phone, eBay name and/or web site)

Products available (yarns coned or not, tools etc)

Why are they in your Top 5? (Selection, helpful, quick shipping etc.)

Please keep it simple and brief, I'm expecting over 40 emails with info!

If this gets a good response it will be included as a quick reference in our Membership Book!
