

InterKnit Oct.~Nov. Update!!

Snug Hugs - - - We will still be collecting finished items and be labeling them for Carol Scott to take after our Nov. 5th meeting. So there's still a chance to get things in for this cause.

Flea Market - - - Cut off date to get an ad out for bulky/large or possibly \$\$\$ items is Oct. 22nd. For those not sure on how to price items I'm including a few web links to help: www.yarn~and.com or <http://www.customknitsmfg.net> even eBay would be a source. So what ever you call it flea market, garage sale, tag sale etc. it's a chance to clean house and/or find new inspiration. **EDIT: Send info to the address this news update came to you for your items to be included in the listing!!!!!!**

OK, I'LL SAY IT:

OFFICERS!

We're getting to that time again. If you've not tried it please consider it. Program Committee has been a team effort for some time and we'd like to open up the idea that other posts could be shared. That way no one person would be obligated to be at **every** meeting. *Those who've held a post are more than willing to be of help to those testing the waters.* It does make it more fun. We are in need of a Secretary of Communications: duties include, taking minutes of officer business meetings, general club meetings and thank you cards to out side demonstrators.

Other News - - - Mary Kawano, of Kar-Mar Enterprises, passed away on Monday, October 10, 2005. Her memorial service was this morning (Oct. 15th), and she will be buried on Monday in Iowa, where she was born. She will be greatly missed.

A link between Cervical Cancer and HPV - - - To show support and help continue research order a FREE bracelet kit at:

<https://ssl106.alentus.com/maketheconnection/default.asp>

We've had a standing offer to post items for sale in the newsletter (which gets posted on the net) for some time. The Flea Market would be an excellent time to sort things out and make this a standing feature reference for all machine knitters.
