

## InterKnit Machine Knitter Guild

**2009 Dues need to be in before Dec. 31<sup>st</sup> 2008 to be included in the Members Book!**

A check made out to InterKnit for \$35 and sent to D. McQueen as soon as possible in a great help in getting the Members Book organized.

We will be asking for some new faces to help with officer's positions. Team effort has proven to make things go smoother and help is never far away so please consider contributing.

A BIG **INTERKNIT THANK YOU** goes to all of the attendees, exhibitors as well as vendors for our Open House. For all her hard work in coordinating the event a special thank you to **V. Simpson**, well done!

One of our strongest tools is communication! So if you find a new store, hear of a seminar etc. SEND IT IN! Too often people wait till club day to share and it has left too little time for people to sign up and allow others to support machine knitting seminars.

### November 8<sup>th</sup> Meeting Features:

B. Perniconi who will demo cut and sew. You may remember that she made beautiful lavender Munstock magic cable sweater with a cut and sew neckband. Meeting will be in Building K Room 161 starting at 10 AM.

\* J. Swan is in Elmhurst Hospital, 200 Berteau Ave., Elmhurst, IL 60126. She is in room 4207 recovering from Knee Surgery She will probably be there until Nov. 5<sup>th</sup> because she doesn't have a caregiver at home to assist her while she goes through recuperation from the surgery. The phone number is 630/833-1400 for any that wish to call. However, please remember that she is in various forms of therapy most of the day, so if you don't reach her that is possibly the reason. For anyone wishing to send a card please mail to her home address (found in your membership directory).
