

## InterKnit October 2006 Newsletter

### October is Charity Knit Month!

As most of you know, we've had to change our location at College of DuPage. Due to that change and a prior booking of our new homeroom (now located in Room 1000 of the Berg Instructional Center) we will be meeting this month in the northwest corner of the cafeteria. If you've parked in the west lot you've probably walked through the cafeteria to our new home or prior seminars. The tables there will accommodate machines for those who wish to come to knit. **10 a.m. is starting time on Saturday Oct. 14th.**

### Changes and Goals:

Due to limited space (no place to store supplies on site), hot water and paper goods for foods will only be available at seminars. For those in need of food and/or beverage it's BYO or visit the cafeteria vending machines near our new location.

Next, Membership fees, to be included in the printing of the 2007 membership book dues must be paid by Dec 31, 2006. We will be asking for a small increase (which is something we've not done in many years), dues will \$35 dollars for the year. **The goal** is to have two paid demonstrators a year and to have at least one of them free to members. To those of you who know the circuit of demonstrators, you know what a bargain this is!

### Oops, you've done it again!

There were some wonderful show and tell items last month! We had some Iris Bishop inspired knit weave skirts, baby garments, boa scarves, scarves and stoles, a day coat plus a holiday stocking. Some were completed projects from our brown bag yarn swap. Well Done Ladies!

### Good things for your To Do List:

**Oct 14-15, Midwest Knitting Retreat**, Belleville, IL (St Louis area) at Our Lady of the Snows National Shrine, contact Ileen's Needle Nook, 1-800-221-NOOK, 1-573-221-9456, <http://www.ileen.com>, [ileen@ileen.com](mailto:ileen@ileen.com), or Don Kluge at [www.knitworks.biz](http://www.knitworks.biz) for details.

Also: **November 11 and 12, 2006 Knittin' To It** will be hosting Lily Chin. She will be teaching hand knitting classes on Saturday and machine knitting classes on Sunday. We'll have a list of classes to be taught after club members vote on them at our meeting on Sunday. Contact info at: <http://home.mindspring.com/~stylist/>
