

InterKnit Machine Knitters Guild

September Newsletter

It is time for

STITCHES MIDWEST!

A big InterKnit THANK YOU to ALL our volunteers who stepped up to help out! M. Slattery, S. Guzman, D. McQueen, T. Niemczyk, P. Huang, V. Simpson, C. Polfer, R. Stewart, L. Bushby, C. O'Connell, R. Antonelli, S. Sullivan, D. Keen, A. Keen, K. Troller and S. Groote.

STITCHES MIDWEST will be held September 10-13 and InterKnit will be in Booth 218. We are asking volunteers to wear something machine knitted. If you were unable to volunteer we hope you come by for a visit. Our participation in Stitches will take the place of our regular monthly meeting.

At our August meeting we took a tour of Ravelry.com and we all walked away with new ideas from this resource. The following are other resources for novice to seasoned knitters:

<http://www.knittersedge.com/subscriptions.php> This site is like an online library or resource center for knitting.

<http://knitting.about.com/> a search engine for multi uses but great for both hand and machine knitting.

<http://www.cochenille.com/> home of Garment Designer and Stitch Painter software.

<http://www.machine-knit.com/> home of the "little teal sweater" and everything MK

<http://www.freepatterns.com/> free patterns for many needle crafts (not MK)

http://www.e-patternscentral.com/list.html?cat_id=3 more needle craft (not MK) but has paper crafting and beading resources as well

For Sale: a 940 knitter in excellent condition that has been completely gone over. Also a 93E G-carriage. Asking price \$500.00 for the knitter and \$300.00 for the g-carriage. If someone would like both pieces, the asking price would be \$750.00. Also available is a knit leader and the Brother Knit Calculator. Asking \$50.00 for both pieces

THOSE INTERESTED SHOULD CONTACT: B. Perniconi at barbarapern1@juno.com

Our prayers and best wishes go out to Pat Hendrix's brother in law who's suffered a stroke this past week. Pat will be in Rockford as family support for her niece and will be unable to attend Stitches. We all hope for his improvement.
